Telephone	Federal Employer ID Number	MESC Number	Workers Comp Insurance Carrier	

3. TYPE OF JOB

- Single Family: New Addition Alteration Pre-Manufactured Home Setup
- Commercial: New Addition Alteration Special Inspection

4. ELECTRICAL PERMIT INFORMATION

Electrical Permit fees for new residential single family homes and condominium units shall be at a flat fee based on the total area of the structure. This fee shall cover all electrical installations within the structure. Fees for additions, alterations, accessory structures and all commercial construction have a base fee plus itemized charges for specific work being performed. An Electrical Permit is valid for a period of one year from the date of issuance. Applicant may request one six-month extension upon payment of the Electrical Permit Extension fee. Requests for inspections of partially completed work require payment of a Special Inspection Fee. Any re-inspection fees assessed against an Electrical Permit must be paid prior to scheduling subsequent inspections.

Cancellations and Refunds:

Base permit fees are non-refundable.

Permits cancelled within 3 months of issue with no work or inspections performed	80%
Permits cancelled within 6 months of issue with no work or inspections performed	50%
Permits cancelled within 1 year of issue with no work or inspections performed	25%
