2. Are there any detached garages or accessory structures currently on the property? yes no

If yes please indicate how many and their sizes: _____

If you answered yes to #1 or #2 above, make sure they are shown on your site plan.

INFORMATION

Attached private garages shall be completely separated from the adjacent interior spaces and the attic area by means of 1/2 inch gypsum board applied to the garage side. The sills of all door openings between the garage and adjacent interior spaces shall be raised not less than four (4) inches above the garage floor.
