

Instructions for Application for Fireworks Display Permit

Applications shall be made to the city or village council or commission of the township board. A permit shall be issued only as a result of legal action by the council, commission or board. A permit shall be valid only for use within the limits of the issuing political jurisdiction.

1. The applicant may be a person representing an organization, group, firm or corporation, or self. If the applicant is also the operator, enter the same name in Operator's section.
2. A non-resident applicant shall appoint a Michigan attorney or resident agent in writing to be the applicant's legal representative upon whom all process in any action or proceeding may be served.
3. The pyrotechnic operator is the person in charge of the display. The council, commission or board shall rule on the competency and qualifications of the operator before granting a permit and may require an affidavit from the applicant as to the operator's experience, former pyrotechnic accidents, criminal record, sobriety, etc.
4. Indicate the total amount of fireworks proposed for the display, such as 10 aerial bombs, 30 aerial rocket bursts, etc.
5. Indicate the manner and place of storage within the political jurisdiction of fireworks that are ready for display, just prior to the display in the area of exhibition. The council, commission or board shall obtain approval from the local fire authorities of the manner and place of storage before any permit is issued.
6. The issuing political jurisdiction shall set the amount of and proof of bond or insurance for the protection of the public to satisfy claims for damages to property or personal injuries arising out of any act or omission on the part of the person, firm or corporation, or any agent or employee of the applicant. The applicant shall assure the bond or insurance required is provided.
